Mr. Charles E. Erickson, Clerk
Village of Butler

Butler, WI 53007

Dear Mr. Erickson:

Re: Adoption of the Wisconsin Uniform Dwelling Code

Thank you for submitting a copy of the Village Building Ordinance including adoption of the Wisconsin Uniform Dwelling Code.

I reviewed the ordinance with respect to s. ILHR 20.06 and find it acceptable to the department. Our records will reflect that the village is now enforcing the Uniform Dwelling Code. Please continue to order the Uniform Dwelling Code permit materials, including permit seals, and the use of a state certified building inspector.

If you or your building inspector have any questions on the administration or technical aspects of the code, please give me a call. I am enclosing a copy of Code Commentary for additional information on these topics.

Sincerely,

Gerald P. Marx
